I know that the United Way Tax Clinics can be a bit of a pain but I wanted to share the stats that UW provided:

*(February 1<sup>st</sup> – April 8<sup>th</sup>) Tax Stats:*

*Number Served (MPM) – 530*

*Average AGI (MPM) – \$22,832.35*

*Total Federal Returns (MPM) – over \$733,935*

*Total State Returns (MPM) – over \$78,882*

*Number of Volunteers (MPM) – 17*

*Number of Volunteer Hours (Muskingum & Morgan Co.) – 482 hours*

**I would say that is a pretty awesome service for the community!!! Kudos to you both!**

**Dylan, I know that you especially put a lot of effort into getting the laptops configured, then reconfigured, and set up and torn down SEVERAL times!**

Thanks,  
Joe
